Ref: (a) Guidance for the Preparation and Submission of Budget Estimates for the Fiscal Year (FY) 2011 Secretariat Review Board (SRB), dtd 13 Nov 08

Purpose: To provide information on the SRB process delay for the FY 2011 program/budget cycle.

Background: In reference (a) the FY 2011 SRB process called for submission of SRB exhibits and emergent unfunded requirements to the AAUSN Financial Management Division (FMD). However, higher-level review has been put on hold pending Office of the Secretary of Defense (OSD) evaluation of the Department of Navy budget and refinement of the processes and procedures leading to program/budget controls.
